 - 1.10 A "switch" involves selling participatory interests (units) in one portfolio and investing the proceeds in another portfolio. The Manager does not normally charge initial manager charges twice, other than in the instance where the original entry was into a portfolio with lower charges than the portfolio into which the Client will be investing. Accordingly, the Client will have to pay in the difference in the initial manager charges. However, the Client and the Financial Adviser may agree on a different arrangement to that above-mentioned, in which case an initial manager charge as agreed, between the Client and the Financial Adviser, will be charged on the switch transaction. As costs may change from time to time, please consult with your authorised Financial Adviser.
